Map Notes:
1. The department shall establish the boundaries of the Shoreland Zones on the Official Shoreland Zoning Map in writing. The boundaries of the Shoreland Zone shall be determined by the on-site inspection of the normal high water line or upland edge of the wetland. (Waterford, Maine, Official Shoreland Zoning Map, Adopted 05/04/2004).

2. Freshwater wetlands delineation based on the National Wetlands Inventory, prepared by the United States Department of the Interior, Fish and Wildlife Service.

4. Property parcels November 2012
